CLP Regulation (EC) No. 1272/2008**

Dear Customer,

The EU announced on January 17th, 2023, an updated list of the candidate 474 SVHC chemicals. The list can be found at: <https://echa.europa.eu/candidate-list-table>

According to the REACH Regulation, EUMirror Group has a "Downstream user" role, therefore relies on its suppliers for the registration and notification. Based on the material content certifications provided by EUMirror Group's suppliers, none of these chemical substances are present in the materials we use in our **PMMA-Mirror articles**, including packing and shipping materials.

EUMirror Group keeps an active surveillance on its supply chain for what concerns the REACH Regulation, ECHA Candidate list updates and will give immediate communication to its customers of any eventual relevant new information in the future.

For more information, our technical department and customer service remain at your disposal.
